Mysore Service Regulations

Part VIII — Rules regarding the Services of officers lent or transferred from the British Service to the Mysore State-Government Concession in Certain Cases

Article 417.

When the eligible service of the officers under the British Government is short and they have yet to serve long in Mysore to entitle them to a pension, the Government of Mysore will allow in such cases one half of any such eligible British service to count as service rendered in the Mysore State up to a limit of 3 years.

Note — The above concession does not apply to uncovenanted British officers entering the Mysore Service after the rendition.

Premature Application

to no purpose, and useless.

(4). Accordingly, no question about the pension of an offr who has not retired from the Public Service, should be submitted to panel, unless there are special reasons (which should always be set forth) for a departure from the general rule. The mere desire of an offr. for a decision upon some doubtful abstract questions affecting his prospects does not justify public correspondence on his behalf.

Office Note 5

The Hospital Assistant Allen states in his application that he resigned his service of 9 years + 2 months in the Medical Deptt. under the Madras Govt. and entered the service in the Mysore State in August 1899 and prays that for the reasons stated ⁺ therein his Madras service may be counted towards his pension on the ground that a similar indulgence was

Sir,

In forwarding for favor of disposal the accompanying application dated 5th March 1901 received from 1st class staff assistant A. H. Allen of the Nazirabad Dispensary through the Civil Surgeon Mysore, I have the honor to state that it may be disposed of in a manner similar to the application of Assistant Surgeon Mr. B. D. Raghavendra Rao.

The Hospital assistant has apparently done good work since entertainment by the Government of Mysore and is popular with the people in Mysore.

I have the honor to be
Sir,

Your most obedient servant

638 Senior Surgeon & S. G. S.

Mysore 5th March 1901

To The Senior Surgeon & Sanitary
Commissioner with the Govt of Mysore
Thos The Health Officer & Civil Surgeon
Mysore District.

Sir

With due submission I most respectfully
beg to lay again my humble grievances
before your generous consideration that with
the inducement of Dr. McEann, the then
Senior Surgeon and with hopes of bettering
my prospects I resigned Madras Medical
Service of 9 years & 2 months and joined
Mysore Service on 1st August 1889. As per
Copy of my resignation acceptance of the
Madras Service dated 24th July 1889, it
will be seen that there was no discontinuity
of my service from Madras to Mysore, as
the 7 days interval was due partly to giving
over charge of the L. F. Dispensary, Bidur
Kallur District to my reliever and partly
to travelling to join Mysore Service which
I represented in my No. 27 dated 20th April
1900 praying that the above service
may be kindly recommended to the

Committed towards my pension on the ground that a similar indulgence was granted to Asst. Surgeon B. D. Raghavendra Rao. Hence I now put in a length of 21 years service and if no record of my previous service was made by Dr. McGann I shall obtain the same if required.

Before entering Mysore Service I was an applicant for the grade of a Senior Hosp. Asst. and Dr. McGann in one of his letters dated 16 June 1889 (copy enclosed) said "that as there were only three Senior Hosp. assts. in the Province, he could give no guarantee in the matter but that no doubt when time came my claims would be fairly considered." By which I certainly held hopes that when a vacancy should occur I might be promoted to the Senior grade, otherwise I should on no account resign a service of 9 years & 2 months detrimental to my pension. But since joining Mysore Service several appointments were made in the Senior grade, my claims were not considered, my juniors by 4 & 5 years in the grade as 1st class have superseded me and I remain stagnant nearly 12 years.

Further I most respectfully beg to submit

93
that my means being so small that I
find it almost impossible to meet with
the Common necessities of subsistence
of my large family, I therefore beg
you will kindly Condescend to consider
my humble case and be graciously
pleased to give me a promotion for
which I shall with the deepest gratitude
ever pray God Almighty to bless you
and yours with long life & prosperity.

I beg to remain
